

# Domaine Chaume-Arnaud

“Here the air is light, the light is dense  
and nature is generous.”

[VALÉRIE CHAUME-ARNAUD]

VALÉRIE CHAUME-ARNAUD'S VINEYARDS  
ARE NOW MANAGED ACCORDING TO  
BIODYNAMIC PRINCIPLES.

## Expertise

“One of the leading Vinsobres domains.” It was with these words that Decanter magazine summed up the status attained by Domaine Chaume-Arnaud. Valérie Chaume-Arnaud took over the family estate in 1987 and gradually converted it to the rules of organic farming, and then biodynamic agriculture. With great talent, she produces wines that she describes as “very French”. Her reds are subtle, velvety and fruity, while her whites offer great aromatic freshness.

## Key figures

- Area: 38 hectares.
- Yield: 25-30 hl per hectare.
- Age of oldest vine stock: 80 years.

## The team

Owners, winemakers: Valérie & Philippe Chaume-Arnaud.

## Press review

**DECANTER (UK)** > “One of the leading Vinsobres domains.”

**GAULT MILLAU (FRANCE)** > “The diversity of the vines planted allows them to enjoy themselves by adding greater complexity to each vintage.”

**REVUE DU VIN DE FRANCE (FRANCE)** > “The wines are intense and full of life.”

**WINE ENTHUSIAST** > Domaine Chaume-Arnaud, Vinsobres: Highly Recommended.
