GILLES HECQUET, NATHALIE AND HENRI BOUR

“There are two things we are proud of: being pioneers of Southern Rhone Valley wines, and earning the recognition of great chefs such as Ledoyen, Guy Savoy and Paul Bocuse.”

[HENRI BOUR]

Expertise

From a long line of winegrowers, the Bour family still lead the way in Southern Rhone. Henri Bour makes a wide range of rich, gourmand wines that combine the quality of the terroir with the expertise of the family. Balance and finesse are still the hallmark of Domaine de Grangeneuve wines, which also offer an exceptional price-quality ratio.
